

**ForeverNate Foundation For
Pediatric Brain Cancer Research,
in memory of Nathan Waggoner**

Hello! My name is Monica Waggoner and I am a blessed mother of two sons.

In 2008, my youngest son, Nathan, was diagnosed with a pediatric brain stem tumor, called Diffuse Intrinsic Pontine Glioma. His treatments started at Children's Hospital in Omaha, and after progression of the tumor, clinical trials were tried at Children's Hospital in Los Angeles and Chicago. Nate battled for 22 months, passing away in March 2010 at the age of 17.

As Nathan's mother, my first priority has been to honor his memory. With help from family and friends, "Neon Night for Nate" started in 2010 and is a memorial bowling fundraiser held annually. Over the past 10 years, our proceeds have been donated to organizations sharing the same love in supporting this cause.

Did you know that the federal government spends less than \$0.05 of every dollar on pediatric cancer research? This important research is being funded largely by small, private, non-profit organizations, such as the *Team Jack Foundation* and our *ForeverNate Foundation*. Since 2014, we have donated a total of \$72,000 to the *Team Jack Foundation* to raise awareness and funds for pediatric brain cancer research. As of 2021, the *ForeverNate Foundation* has filed for our very own 501(c)(3), making your donation tax-deductible!

It is our goal to take the fundraising of Neon Night For Nate to the next level. **We are writing this letter to ask you to please consider a donation or sponsorship at our 11th annual event.** Attached is the information on our levels of sponsorship. With your kind donation, we know that we can reach our 2021 goal and together we can make a difference!

Please contact our donor and sponsor coordinator, Gabriella, at (402) 210-5708 or by email at ForeverNate@yahoo.com by **March 10th** if you are interested in supporting our cause.

You can visit our website for more information *ForeverNate.wixsite.com/NeonNightForNate*. You can also find us on Facebook by searching "*ForeverNate Foundation For Pediatric Brain Cancer Research*", and on Instagram *@ForeverNate_Foundation*.

Thank you for your time and consideration!
